

Hello District Colleagues,

The KASBO Board has heard districts desires for district staff (Finance Officers, Human Resource Staff, Finance, Payroll, Accounts Payable, Technology, Food Services and other Business related staff) to become members outside of attending the annual conference. Accordingly, The Board has developed a new membership structure as outlined below that explains benefits and cost savings for members versus non-members. There are two levels of membership within the new structure and a non-member level. District memberships as outlined below would be annually renewed based on Calendar Year January through December. Lifetime memberships as you are aware, transfer with the individual regardless of their district affiliation.

District membership is a great option for districts who have multiple staff attend KASBO events annually. For example, a district with 3,001 to 9,999 students would have a membership fee of only \$200 and offer the best benefit and access to an extensive number of resources.

Invoices for District level membership are based upon student enrollment. To assure that school districts can enroll in the district membership, if desired, we are sending out invoices to assist with processing. Please note, that to assure we can document and keep the registrations updated in our database you will need to list the staff information for those you would like to enroll in the District Membership. **Payment for district membership is due by February 15, 2021.** However, as always, to add an Individual Lifetime Membership this can be done during this membership processing window or during the conference registration process.

- **Individual Lifetime Membership** (resources listed below include access in perpetuity)
\$250 one-time payment
 1. Preferred registration for KASBO and Regional Conference Trainings at a discounted rate.
 2. Career opportunity portal with access to review jobs on the KASBO website regardless of district affiliation.
 3. Exclusive access to PowerPoints and literature from KASBO conferences.
 4. Access to human resource tools.
 5. Exclusive access links to vendors and services landing pages on the KASBO.com.

- **District Membership**
Annual payment that covers an entire calendar year (January –December)
 1. District is listed as KASBO Member District and Finance Officer provides list of who will be the designees per their district based on membership fee level excluding life time members.
 2. The membership fee is set by range of student count – effective July 1, 2020 – as outlined below:
 - i. 3,000 students or less – \$100 (4 memberships designees maximum)
 - ii. 3,001 students to 9,999 – \$200 (8 memberships designees maximum)
 - iii. 10,000 or higher – \$300 (12 memberships designees maximum)
 3. Membership features per calendar year
 - i. Attend conference at regular District Membership rate.

- ii. Registration will open immediately after Individual Life Membership and prior to Non-Membership
- iii. Access shared KASBO forum knowledgebase previously answered in KMUG feeds.
- iv. Career opportunity portal with access to review jobs on the KASBO website regardless of district affiliation.
- v. Exclusive access to PowerPoints and literature from KASBO conferences.
- vi. Access to human resource tools.
- vii. Exclusive access links to vendors and services landing pages on the KASBO.com
- viii. Free Finance Officer hours for District staff members whose District hosts a regional training during the membership calendar year.

➤ **Non-Member**

Full conference rate plus surcharge
